America's Poverty Course [1]

It's a special moment in U.S. history in which income inequality has reached unprecedented levels, poverty remains extreme, and racial and gender inequalities are intransigent. Why is there so much inequality and poverty? How might they be reduced? Find out from the country's top scholars in our course on poverty and inequality. The course is offered through Stanford Online [2] and the course videos are listed below.

Income Inequality

- The Takeoff in Income Inequality: Emmanuel Saez [3]
